## EDUCATION

---

### Champlain College

Bachelor of Science in Computer Science

Burlington, VT

Expected May 2023

- Minors in Math and Game Programming, Specialization in Software Engineering
- *Cumulative GPA*: 3.94
- *Awards and Honors*: 2022 Outstanding Student in Computer Science, Trustees' List, President's List, Dean's List

## RELEVANT EXPERIENCE

---

### Garmin

Software Engineer Intern

Yarmouth, ME

May 2022 - August 2022

- Worked alongside an agile team to develop the [Garmin Messenger](#) Android application.
- Collaborated with UI/UX, quality assurance, iOS, and web teams to ensure the quality and consistency of our application, as well as integrate it with the Garmin ecosystem.
- Successfully merged over 80 pull requests for miscellaneous bug fixes, UI improvements, and key features in a wide variety of areas in the application with clean and scalable code.

### Galvion

Software Developer Intern

Portsmouth, NH

May 2021 - August 2021

- Worked on an [Android app](#) used to analyze power data of devices connected to a hub.
- Implemented various charts and graphs for visualizing live and historic power data.
- Actively participated in weekly stand-ups and reviews where I was able to present my work and provide feedback to other team members.

## PROJECTS

---

### S.P.U.C - SSpace UnContained | [Demo](#) | [Code](#)

January 2022
